Dear Friends,

We are pleased to inform you that our next sessions for ACT-SAT coaching classes are scheduled to begin on Saturday, January 12, 2019. This is the 25th year we are conducting this program; we have a good response to these classes and the results of our previous batches have been very encouraging. This program is primarily for students in ninth grade or higher. A few eighth-grade students may be admitted, based on evaluation by the staff. Please send in the enrollment form on the next page, as early as possible *or register online*.

Students enrolled in this program will be required to complete the homework assignment regularly from week to week (3 hours per week in addition to the 3 hours of class time every Sunday).

Enrollment is limited – please enroll early.

Highlights:

- **Enhanced Program that covers all topics critical for scoring high on either ACT or SAT with added emphasis on ACT including the Science section of ACT. The SAT coaching will be offered per the new requirements for the SAT tests.**
